'Twas a Grand (K)night, Joe!

Sixty-seven people gathered at Mary's Café in Rock Hill Oct. 27th, to say "Good-bye and good luck" to a beloved long-time member of our Council, **Joe Zsiga**. Joe will be leaving for Connecticut and his new home with his family, right after working the polls on election day.

Joe showed up sporting his nifty new Carolina Panthers hat which the Council bought for him, and a Panthers shirt, which was presented to him by the folks at Bank of America Stadium at the Panthers game last Sunday. The shirt, imprinted with Joe's name on the back, wasn't just any team jersey. This one was especially designed with the #11 on the front, signifying the number of years that Joe volunteered at the concession booth with the Knights . . . a fitting gift for a faithful volunteer who never missed a game in all that time!

It was a great night

for Joe as he and his fellow Knights shared dinner, a cake, and years' worth of beautiful memories.

If you'd like to write to Joe, he'd love to hear from you. Write to: Joe Zsiga, 61 Bridge Road, Haddam, CT 06438.

You'll be missed, Joe!

Deputy Grand Knight, Dennis Peasenell & Past State Deputy, Bob Ficco presented Joe with a plaque for his years of service

Something new . . .

Well, you asked for it, and here it is — the first issue of our new Council newsletter, "Knight Notes."

While the Council has been communicating via email for some time, we've found that almost half our members don't have email. Finding time to make calls isn't a practical solution to

keep everyone up-to-date, so we're going into the publishing business! "Knight Notes" will be mailed monthly to all members who do not have email, and sent via email to those who provide us with an email address.

We hope you enjoy it.

— Mike Daly, PR Director

Prayers Requested for our Grand Knight

Please offer your prayers for our Grand Knight, **Brian Garscadden**, who suffered a heart attack Oct. 25th. He had surgery to insert two stints in his heart, spent two nights in ICU, and is now home recovering under the watchful care of his wife, Michelle, who is fortunately a trained cardiac nurse. Brian, get some rest and get well soon. We're praying for your quick recovery!
